Hi Amy-

If possible, yes. I am the Project Office for their CWA 320 National Estuary Program Grant, and even though I may not be directly involved I'd like to stay informed. Thanks,

Mike

Hi Mike, I had a conversation with Chris Bason of DE Inland Bays this morning. Is that something you need to be kept in the loop about?

Thanks
Amy

Amy, Roberta:
Can you contact this person?

Megan - are you the Bay contact (if not, who is?) – thought you should know about this request.

Nan,

Does this query go to WPD, or should it be forwarded to ORC?

Hi Ginny,

Thanks for taking my call today. I would like to speak with the staff person responsible for the Order reference in the subject regarding pollution from the Mountaire Poultry Processing Facility in Millsboro Delaware. The Order was previously signed by Jon Capacasa then of the Water Protection Division, whom I believe has retired. My number is 302 226-8105 x 104. Thanks for your assistance!
